

The National Nurse-Led Care Consortium's

Nurse Home Visiting Programs

PHILADELPHIA NURSE-FAMILY PARTNERSHIP (NFP)

Free program for first-time pregnant parents. Registered nurses meet with parents during pregnancy and provide support until baby is two.

To qualify, NFP clients must:

- Be having their first baby
- Be less than 28 weeks pregnant
- Want to participate
- Live in Philadelphia
- Meet the income requirements

Refer a client to NFP

MABEL MORRIS FAMILY HOME VISIT PROGRAM (MM)

Free program for parents raising children under the age of five. Through partnering with families, specialty trained registered nurses provide the information, support, and encouragement parents need to help their children develop optimally.

To qualify, MM clients must:

- Have a child under the age of five
- Want to participate
- Live in Philadelphia
- Meet the income requirements

Refer a client to MM

Want more information? Call us at 215-731-2019 or email us at mmreferrals@phmc.org.
