# HEALTH CONNECTION

a PHMC program

## Easy Access to Total Care for You and Your Family

PHMC Health Connection, a Federally Qualified Health Center, provides a variety of services to children, teens and adults. We partner with Norris Homes and Apartments, residences that are owned and operated by the Philadelphia Housing Authority. We have a bilingual staff and interpretation services available. PHMC Health Connection is a Patient-Centered Medical Home.

### Our health care services include:

- Adult and pediatric primary care
- Family planning
- HIV and Hepatitis C testing, counseling and treatment
- Immunizations and flu shots
- Health and nutrition counseling
- Women’s healthcare services
- Behavioral health and trauma informed consultation services
- Management of chronic health conditions including diabetes, hypertension, asthma, and others
- Clinical social workers
- Medical case management
- Addiction medicine
- Peer recovery services, referral navigation, health insurance assistance
- Social services assistance (SNAP, housing, insurance, utilities, legal etc.)

The PHMC Health Care for the Homeless program provides high-quality, trauma informed, patient-centered care for men, women and children experiencing homelessness and those at risk of homelessness. The program is coordinated with PHMC’s Mary Howard Health Center and the entire PHMC health network, providing primary and behavioral health care and comprehensive social services to meet the complex needs of this vulnerable population.
