PHMC CONTINUUM OF CARE

PROGRAMS, SUBSIDIARIES AND SERVICES DIRECTORY

Public Health Management Corporation (PHMC) is a nonprofit public health institute serving the Greater Philadelphia region for nearly 50 years. PHMC's mission is to create and sustain healthier communities and provide high-quality, evidence-based programs and services to improve the social determinants of health that impact the well-being of those we serve. PHMC advances its work through partnerships with city, state, federal government, foundations, business and community-based organizations. PHMC reaches more than 350,000 clients through its programs and network of subsidiaries.
