PHMC CONTINUUM OF CARE PROGRAMS, SUBSIDIARIES AND SERVICES DIRECTORY

Public Health Management Corporation (PHMC) is a nonprofit public health institute that has served the Greater Philadelphia region for more than 50 years. PHMC's mission is to create and sustain healthier communities by providing high-quality, evidence-based programs and services to improve the social determinants of health that impact the well-being of those we serve. PHMC advances its work through partnerships with city, state and federal government, foundations, businesses and community-based organizations. PHMC reaches more than 350,000 clients through its programs and network of subsidiaries.

HEALTH SERVICES

[page 3](#)

Comprehensive primary health care, family planning, disease management, homeless and social services; including PHMC Health Network's six federally qualified health centers, home health services, palliative and hospice care, and medical respite programming.

ADDICTION SERVICES

[page 4](#)

Comprehensive, therapeutic and culturally sensitive inpatient, outpatient and residential programs for individuals with substance use and co-occurring disorders.

MENTAL HEALTH SERVICES

[page 5](#)

Continuum of school- and community-based and trauma-informed behavioral health services to help children, youth and families build skills, achieve goals and realize potential.

HOUSING AND JUSTICE-RELATED SERVICES

[page 6](#)

Behavioral health treatment and related services designed as an alternative to incarceration; services for homeless and special populations.

CHILD DEVELOPMENT AND FAMILY SERVICES

[page 9](#)

Operates direct service, fiscal intermediary, capacity building, facility expansion, policy development, and workforce initiatives. Provides learning opportunities for families and youth from birth through post-secondary education.

SPECIAL EDUCATION PROGRAMS AND SUPPORT SERVICES

[page 13](#)

Early intervention, education and services for children and adults with special needs, in both school-based and non-school settings.

HEALTH PROMOTION SERVICES

[page 14](#)

Programs that support individuals, families and communities in creating and sustaining healthy lifestyles.

CHILD AND FAMILY SOCIAL SERVICES

[page 20](#)

Resources and tools for caregivers to raise safe and healthy children, as well as outlets and resources for youth and young adults to transition from the foster care system toward independence.

NURSE-LED CARE SERVICES

[page 22](#)

Programming designed to enhance community health through nurse-led models of care.

RESEARCH AND EVALUATION SERVICES

[page 23](#)

Range of public health services including research, evaluation and assessments to help organizations understand their communities, improve programming, and strengthen impact.
