Curriculum and Assessment Material Vendor List

Curriculum Fund grant funding may be used to support purchasing of curriculum, or upgrading of current curriculum, from the PA OCDEL aligned [list](#). Grant funds may also be used to support training and professional development on curriculum implementation and use of assessments, cost of staff time for training, and cost for additional curriculum supports such as coaches and consultants.

***Please note the information below is not an all-inclusive list, nor is it a requirement to select one or more of the items from this list to be considered for funding. You are strongly encouraged to review information from the vendors in alignment with your current policies and practices and proposed purchases.**

***Please note this listing continues to be updated.**
