PHMC health network

About the PHMC Health Network:

The PHMC Health Network consists of six nurse-managed, federally qualified health centers (FQHC) offering affordable, high-quality, patient-centered health services to more than 23,000 Philadelphians annually, including residents of public housing and individuals experiencing homelessness.

PHMC's nurses provide primary care services in 12 shelters and serve as a resource to street outreach teams working with people experiencing homelessness in Philadelphia. The PHMC Health Network provides a public health approach to health care – one that is preventive, focuses on the integration of physical and behavioral health, and is community-centered in addressing the social determinants of health.

PHMC Pharmacy

a PHMC Health Network service

The **PHMC Health Network** offers **pharmacy services** as a part of integrated and comprehensive care for its patients. With an in-house pharmacy, patients have easy access to pharmacy services in coordination with their health care provider. Our mission is to provide services as a critical part of the care team so that patients benefit from medication management to get better health outcomes.

1200 Callowhill Street
Philadelphia, PA 19123

Our pharmacy offers:

Full Range of Services

Patients can access the complete range of pharmacy services.

Low-Cost Prescriptions

All major insurance plans are accepted. Affordable prescription plans are available for those who are uninsured.

Professional Consultation with the Pharmacist

The pharmacy team works closely with your provider to achieve your health goals. This helps you get the most from your prescription and reduces side effects and missed doses.

Easy Pick-up & Delivery Options

You can get free home delivery, free shipping or convenient in-person pick-up at your health center. We can assist you in transferring your prescription from another pharmacy.

Close Monitoring & Refill Reminders

- The pharmacy team will monitor your prescriptions and refill reminders. Prescription problems are solved faster since we work closely with your provider.
- Live-person prescription refill reminders can help you meet your health care goals.

Financial Assistance

- We accept all major insurance plans and will work with your plan to help pay for your medicine.
- We ensure that cash-paying patients have the lowest cost.
- Prior Authorization services make it easy so that you and your provider don't have to handle paperwork.
